

Home is more important than ever.
Set your sights up high.

A large, semi-transparent dark brown rectangular overlay is positioned in the center-right area of the image. It contains the promotional text in white. Below this overlay, a red rectangular area highlights a specific location in the city below, which appears to be a construction site or a cleared urban plot.

LOCATION

LOCATION IS EVERY THING

We believe that life should make sense. Where we live, where we go, and what we do should be congruent. While our daily activities and errands should be seamless, we always want to come home to a quiet space to recharge. Maple Land offers just that — homes that are tucked away in a serene family-friendly neighbourhood in Norquay Village, but are minutes away from restaurants, stores, schools, and transit that can take you anywhere in Metro Vancouver.

Wrapped around the eastern end of Buried Inlet and backed by forested parklands and mountain trails, Vancouver's stunning setting is quintessentially West Coast. The protected harbour invites boating, kayaking, and Rocky Point Park along the shoreline offers walking and cycling pathways and a variety of recreational amenities. Complementing this natural ambience is a modern urban centre with great shopping and dining, including a lively craft brewery scene.

RESIDENCES

World-class Residences

Surrounded by Nature

HOMES TO TRULY LIVE IN

The homes at Maple Land are warm and modern with a Scandinavian feel.

Each unit has been built using quality materials, honest workmanship and carefully selected fixtures. Each resident will have the option of choosing from a light or dark colour palette, to go with the spacious, intimate interiors. Together, these timeless elements create a harmonic living experience at home.

A PERFECT BALANCE OF BEAUTY AND COMFORT

Charming landscaping, warm accents of brick, and wood paneling are complemented by modern architecture at Maple Land. With 1 and 2 bedroom residences available, Maple Land provides 147 homes perfect for any stage of life – from first-time homeowners to those looking to upsize or downsize.

- Mood-enhancing recessed lighting
- Glamorous Caesarstone® countertops and backsplash

AMENITIES

IN-HOUSE GYM & SAUNA

The gym has three power racks, two Rogue benches, and two Rogue deadlift platforms. We have dumbbells that go up to 120 pounds each. In addition to heavy bars and dumbbells, we offer a multitude of training options — everything from landmines, foam rollers, bands, kettlebells and Bulgarian bags. Plus, there will be a brand new private infrared sauna room too.

6-LANE INDOOR POOL

The pool is Olympic-sized pool (50 meters by 25 yards) in that is heated year-round. Lessons and team activities are held year-round as well. Diving is allowed in the deep end, which is 13 feet deep. For the littles, the nearby wading pool is only 1 foot deep and has an adorable mushroom that spouts water out its top for a refreshing spray.

GATHERING LOUNGE

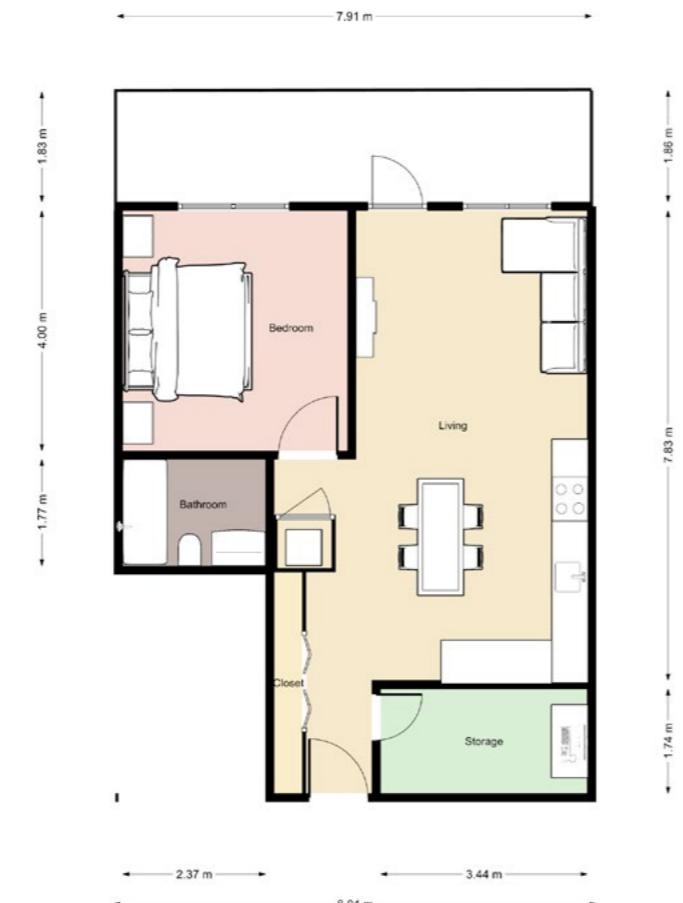

Maple Land provides a beautifully designed rooftop, where residents can extend their living space to the outdoors. It includes lush green-space, a designated BBQ-area, a toddler playground, and a gathering space – all with panoramic views of the North Shore Mountains and the Vancouver skyline. Expand your living space to the outdoors at Maple Land.

NEIGHBORHOOD

Lost Lagoon is one of the two main water features within Stanley Park. Once it was part of Coal Harbour and was essentially a tidal flat that filled with ocean water during high tides, then drained out with low tides until the Stanley Park Causeway was built and cut it off from Coal Harbour.

Vancouver Public Library serves nearly 428,000 active members and is the third-largest public library system in Canada.

UBC is a public university established in 1908, it is British Columbia's oldest university. The university ranks among the top three universities in Canada.
